Founded in 1875 in Parkville, Mo., a suburb of Kansas City, Park University has developed into a comprehensive, independent institution that is a national leader in higher education. In 2000, Park achieved university status and now serves more than 17,700 students annually at 41 campus centers in 21 states and online, including campus centers in Parkville, Independence and Kansas City, Mo.; Austin and El Paso, Texas; Barstow and Victorville, Calif.; and military installations across the country.

Serving an ethnically diverse student population and non-traditional adult learners has, for many years, been central to Park’s educational mission. Even in its first year, Park University enrolled women students as well as men, something that was unusual at the time; and two of the original 17 students were Native Americans. Park was also an early integrator when it welcomed African-American students to live in Park’s residence halls in the 1950s.

Park continues to increase access to higher education by offering the quality undergraduate and graduate degrees students desire at locations, times and delivery formats that best serve their needs. The University has been selected to the Colleges of Distinction list for five consecutive years, and Park is ranked among the top three private colleges/universities in the country for annual return on investment, according to the 2015 PayScale College ROI Report.

Providing such access has developed considerable diversity among the student population, with more than 370 international students from 60 countries, and a 45 percent student representation from racial, ethnic and cultural groups typically underrepresented in colleges and universities. In addition, extracurricular activities and championship-caliber athletic programs complement Park’s outstanding scholastic programs.

Park University offers numerous degree programs online, and it maintains a long-standing relationship with the U.S. military for which it has been recognized as one of the largest providers of online undergraduate education to military learners worldwide. Since 2009, Park has received international recognition each year by Victory Media (publisher of G.I. Jobs, STEM Jobs and Military Spouse magazines) as one of its top military friendly colleges and universities, citing Park’s “innovative academic degree programs steeped in excellence.” In addition, Park is the top-ranked “Best for Vets” private college/university in the country as determined by Military Times magazine.
Park’s Promise
Serving those who serve their community and country with personalized, globally-relevant education for life.

Mission Statement
Park University provides access to a quality higher education experience that prepares a diverse community of learners to think critically, communicate effectively, demonstrate a global perspective, and engage in lifelong learning and service to others.

Vision Statement
Park University, a pioneering institution of higher learning since 1875, will provide leadership in quality, innovative education for a diversity of learners who will excel in their professional and personal service to the global community.

Core Values
Park University’s core values describe who we are, what we do and how we do it. They guide our educational strategy, our institutional behavior and our relationships with business partners, suppliers, students, faculty, communities and each other.

We expect ACCOUNTABILITY | for our actions at all levels, to each other and to Park University.

We treat all with CIVILITY and RESPECT | while being open and honest in our communications.

We celebrate GLOBAL CITIZENSHIP | through our connected learning and working environment, as well as community stewardship.

We embrace INCLUSIVITY | that fosters diversity, teamwork and collaboration.

We act with INTEGRITY | through honesty, efficiency and reliability.

www.park.edu
More than 17,750 Park University students attend classes at one of 41 campus centers located in 21 states and online from national or international settings.

We invite you to join the #ParkGraduation celebration on Twitter (@ParkUniversity) and Instagram (@ParkUniversity).
Commencement Speaker

Greg Graves
Chairman and CEO
Burns & McDonnell

As chairman and chief executive officer of Kansas City, Mo. based Burns & McDonnell, Greg Graves leads one of North America’s fastest-growing and most successful engineering, architecture, construction and environmental consulting firms.

Graves joined Burns & McDonnell in 1980. After holding several positions of increasing responsibility with the firm, he was promoted to general manager of the company’s energy division in 1997. In 2001, he was promoted to president of the division, a position he held until he was named the firm’s sixth CEO three years later.

Under Graves’s leadership, Burns & McDonnell has earned a reputation as a national leader in many technical specialties within the energy, public infrastructure, government, aviation, process and health care sectors. This year, the company ranks as the 17th largest engineering, architecture and construction firm as measured by Engineering News-Record magazine. More important to Graves, the firm is nationally recognized as one of America’s best places to work. In 2015, Fortune magazine ranked Burns & McDonnell the 15th best place to work; it was the fourth consecutive year and fifth time overall that the organization was selected. Fortune also teamed up with Great Place to Work to recognize Burns & McDonnell as the 14th “Best Workplace for Millennials in the U.S.”

Graves and his wife, Deanna, view public service as a duty in return for all Kansas City has given them. He serves on numerous boards in the Kansas City area, and currently serves as chair of the University of Kansas Hospital Authority Board and The Kansas City Repertory Theatre. In November, Graves was named “Kansas Citian of the Year” by the Greater Kansas City Chamber of Commerce, an award given to individuals whose civic contributions and achievements reflect the insight, creativity and consciousness necessary to build and maintain a quality urban community. He has also been named CEO of the Year by the Mid-America Minority Business Development Council and the Difference Maker of the Year by the Urban League of Greater Kansas City. In addition, the couple has chaired fundraisers throughout the Kansas City region, and in 2009, they were named Kansas City’s Philanthropists of the Year.

Graves has a Bachelor of Science degree in mechanical engineering from South Dakota School of Mines and Technology, and a Master of Business Administration degree from Rockhurst University.

ALMA MATER

David Lueker, ’47, arr. Virginia Bruch

Moderato $\textit{J = 108}$

Piano

Hail Alma Mater We sing to thee

Thy name forever a guiding light shall be. Strong as an oak tree, thy name never fail. To thee Alma Mater

Hail, Park, Hail!
ACADEMIC ROBES AND REGALIA

The pageantry and color of an academic convocation come from medieval Europe where academic robes and regalia were adapted from Ecclesiastical garb. Most robes are black to symbolize the democracy of scholarship, since they cover any dress indicating social standing worn beneath. Bachelors’ gowns are cut with long, pointed sleeves, while masters’ gowns feature closed, slit sleeves. Doctoral gowns are full-cut with double-belled sleeves and bars of velvet trim.

The hood, originally a simple cowl attached to the gown, bears the heaviest symbolism of the academic costume. The bordering color indicates the field of learning in which the degree is earned. The square cap, or mortarboard, originated in the 13th century at the University of Paris and came to England in Tudor times. Round caps originally were reserved for doctoral degree holders. Doctoral tassels are usually gold, with other degrees represented by black. However, in recent years, tassels have come to match the lining of the hood to indicate the field of learning. The Honors Medallion symbolizes completion of the Honors Academy which involves independent development of projects with the assistance of faculty mentors. Alpha Chi is the highest honor society at Park University and encompasses all academic areas. The stole is worn as an indication of this recognition.

Please accept my heartfelt congratulations upon your graduation from Park University. Through the challenges and successes, you have persevered! I assure you that the journey was worth it.

On behalf of Park’s Alumni Council, I would like to welcome you to the Park University Alumni Association. We strongly encourage you to become involved in alumni activities throughout the year. At the very least, we urge you to keep in touch. You can do so by contacting the Office of University Relations and Development via telephone (816-584-6412), social media (LinkedIn, Facebook, Twitter and more!), e-mail (alumnioffice@park.edu), mail, or at advancing.park.edu.

The mission of the Park University Alumni Association is to serve as a vital partner with Park University to inspire passion and pride, promote participation, and foster meaningful lifelong connections throughout our global and diverse alumni community. Please let us know how we can best serve you, our newest member.

Again, congratulations! I know that you will represent Park University well in whatever you do.

Toni Madeira, ’88
President
Park University Alumni Association
8700 NW River Park Drive, Box 37
Parkville, MO 64152
WE HAVE THE ANSWER TO
YOUR NEXT EDUCATIONAL STEP

Accessible
Park University meets the growing demand for career-enhancing education by offering a variety of master’s degrees and certificate programs with a practical focus, high academic standards and flexible course scheduling to meet the challenges faced by today’s professionals.

Affordable
Graduate students enrolling at Park University can complete their degrees in traditional face-to-face classes, online or in a combination that suits their needs and enhances their educational experience. Our goal is to keep your advanced degree journey as convenient as possible for you. Regardless of your daily demands, Park’s variety of classes and flexibility of schedules will meet your needs. Park’s tuition rates are especially competitive, providing a superb private educational experience at a public price.

Accredited
Park University is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools. Its graduate degree programs in professional fields are accredited by their respective accreditation agencies or in the process of securing program accreditation.

Please contact the Park University at gradschool@park.edu or (816) 741-2000 for questions about Park’s graduate degree and certificate programs.

One Future. Yours. Park University.
www.park.edu/grad

PARK’S PROMISE
Serving those who serve their community and country with personalized, globally-relevant education for life.
