SCHOOL FOR EDUCATION

Dear Faculty Member:

The School of Education of Park University requires students to have a letter of recommendation from a faculty member outside the field of education. We would like you to address the following:

- Academic Ability
- Character
- Personality

When considering this letter of recommendation, ask yourself this question, “Would I want this person teaching my child?”

The letter of recommendation must be in a sealed envelope with your signature across the seal. You may then give it to the student who will deliver it to me.

We take the responsibility of accepting students into the teacher preparation program very seriously; we believe that responsibility is best shared by many professionals. Thank you for your assistance.

Sincerely,

A handwritten signature in black ink that reads "Betty S. Bennett". The signature is fluid and cursive, written over a horizontal line.
