About the Library
The McAfee Memorial Library is located in the Norrington Center on Park University’s flagship Parkville Campus. It provides access to quality information resources that enables a diverse community of learners to think critically, communicate effectively, demonstrate a global perspective and engage in lifelong learning and service to others.

Norrington is also home to the Academic Support Center, where students can receive tutoring, writing assistance, help with time management and study skills, individual mentoring and academic accommodations for students with disabilities. The University’s Fishburn Archives and Special Collections, which consists of manuscripts, print materials, photographs, artifacts and textiles that document the founding and history of the University and Parkville, Mo., is available by appointment only in the Academic Underground.

The Campanella Gallery, located within the library, features art exhibits from local and regional artists, as well as Park students, faculty and staff.

By the Numbers
The McAfee Memorial Library collections include approximately 120,000 books, more than 200,000 electronic books and more than 43,000 electronic journals (contained in our periodical and research databases). Electronic resources are available 24 hours a day, seven days a week.

Reciprocal Agreements and Interlibrary Loan
Park University’s library maintains reciprocal borrowing agreements with several dozen local and regional libraries for increased access to print and electronic resources via MOBIUS, covering academic libraries in Missouri, with connections to Colorado and Wyoming. Items not held in the Park University library can also be requested via interlibrary loan from libraries throughout the country.

Library Instruction and Research Help
The McAfee Memorial Library reference librarians provide instruction in the use of library resources and research strategies. They are also are available to provide assistance on-site, via phone, e-mail and online chat.
