REQUIREMENTS FOR FRESHMAN ACADEMIC SCHOLARSHIPS

Students must be admitted to Park University’s Parkville (Mo.) Daytime Campus Center to be awarded an academic scholarship. Scholarship funding is limited and will be awarded until funds are exhausted. Freshmen Academic Scholarships are awarded only to first-time freshmen and are available for a total of four years if renewal criteria are met.

A sixth-semester high school transcript must be received before scholarships can be officially awarded. A student may not receive more than one academic scholarship. Academic scholarships are available for fall and spring semester only. Students must be enrolled full-time to be eligible to receive an academic scholarship.

Review for eligibility and awarding begins immediately upon receipt of the student’s Park University Application for Admission and sixth-semester high school transcript through December 1, 2015.

All scholarship recipients will be invited to attend Scholarship Recognition Day.
