REQUIREMENTS FOR TRANSFER ACADEMIC SCHOLARSHIPS

Students must be admitted to a Park University undergraduate program at the Parkville (Mo.) Daytime Campus Center to be awarded an academic scholarship. All transcripts must be received prior to the scholarship deadline. The total hours completed and cumulative grade point average will be calculated based on all previous coursework completed prior to the advent of the review period. Scholarship funding is limited and scholarships will be awarded until funds are exhausted. Unless stated otherwise, eligibility for transfer scholarships requires 24 transferable college credit hours from an accredited U.S. institution, or a foreign institution whose primary language of instruction is English. Students may not receive more than one academic tuition scholarship or grant unless otherwise specified.

Academic scholarships are available for fall and spring only. Students must be working toward the completion of their first undergraduate bachelor’s degree and enroll full-time to receive an academic scholarship. Awards will be available for students choosing to enter in either the fall or spring term. All admission and scholarship materials must be received on or before the application deadline to maintain eligibility for review.

APPLICATION DEADLINES AND AWARDING TRANSFER ACADEMIC SCHOLARSHIPS

Students planning to enroll for the first time in Fall 2016 (August or October 2016) must submit their application for admission, FAFSA and all official transcripts by March 1, 2016. Applicant review and awarding of available scholarships will begin January 1, 2016, and continue through March 30, 2016.

Students planning to enroll for the first time in Spring 2017 (January or March 2017) must submit their application for admission, FAFSA and all official transcripts by September 1, 2016. Applicant review and awarding of available scholarships will begin July 1, 2016 and continue through September 30, 2016.

Qualified students are encouraged to apply for admission to the Park University Honors Academy at www.park.edu/honors.
